SEBILJ I ČARŠIJSKA DŽAMIJA SARAJEVO

QUR'AN

"Allah is the Protector of those who believe. He brings them out of the darkness towards the light; and as for those who disbelieve, their guardians are false deities, who take them out of the light towards the darkness; they are the Companions of the Hell-fire, they shall abide in it for ever." (Qur'an, 2:257)

"Allah je zaštitnik onih koji vjeruju i On ih izvodi iz tmina na svjetlo, a onima koji ne vjeruju – zaštitnici su šejtani i oni ih odvođe sa svjetla u tmine; oni će biti stanovnici džehennema, oni će u njemu vječno ostati." (Kur'an, 2:257)

FERHAT PAŠINA DŽAMIJA ZEPČE

HADITH

The Prophet (may Allah's blessings and peace be upon him) said, "If anyone testifies that none has the right to be worshiped but Allah Alone who has no partners and that Muhammad is His servant and His Messenger and that Jesus (peace be on him) is Allah's servant and His Apostle and His Word which he bestowed on Mary (peace be upon her) and a soul from Him, and that paradise is true and hell is true, Allah will admit him into paradise with the deeds which he has done even if those deeds are few". (Bukhari&Muslim)

Prenosi Ubade b. Samit r.a da je Poslanik s.a.w.s rekao: "Onaj ko posvjedoči da nema istinskog božanstva mimo Allaha koji nema sudruge, da je Muhammed Njegov rob i poslanik, te da je Isa Allahov rob i poslanik i Njegova riječ, koju je dostavio Merjemi i Njegov ruh, da je džennet istina i da je džehenem istina - Allah će ga uvesti u Dženet uprkos tome koliko malo djela on imao." (Buharija i Muslim)

DOME OF ROCK JERUSALEM

QUR'AN

"Muhammad is the Messenger of Allah; and those who are with him are strong against unbelievers, but compassionate amongst each other; you will see them bowing down, prostrating themselves, seeking grace from Allah and pleasure; their marks are in their faces because of the effect of prostration ..." (Qur'an, 48-29)

"Muhammed je Allahov Poslanik, a njegovi sljedbenici su strogi prema nevjernicima, a samilosni među sobom; vidiš ih kako se klanjaju i licem na tle padaju želeći Allahovu nagradu i zadovoljstvo, na licima su im tragovi padanja na sedždu..." (Kur'an, 48:29)

HADITH

Allah's Messenger (ﷺ) said, "Whoever prays like us and faces our Qibla and eats our slaughtered animals is a Muslim and is under Allah's and His Apostle's protection. So do not betray Allah by betraying those who are in His protection." (Bukhari)

Prenosi se od Enesa ibn Malika, radijallahu anhu, da je Allahov Poslanik, sallallahu alejhi ve sellem, rekao: „Ko klanja naš namaz i okreće se prema našoj kibli, i jede ono (meso životinja) što smo mi zaklali, takav je musliman koji ima Allahovu zaštitu i zaštitu Njegovog Poslanika, pa nemojte pronevjeriti Allahovu zaštitu (iznevjeriti one koje je Allah zaštitio).“ (Buharija)

QUR'AN

"The month of Ramadan is that in which was revealed the Quran; a guidance for mankind, and clear proofs of the guidance, and the criterion (of right and wrong). And whosoever of you is present, let him fast the month, and whosoever of you is sick or on a journey, a number of other days. Allah intends for you ease and does not intend for you hardship and [wants] for you to complete the period and to glorify Allah for that [to] which He has guided you; and perhaps you will be grateful." (Qur'an, 2:185)

"U mjesecu ramazanu počelo je objavljivanje Kur'ana, koji je putokaz ljudima i jasan dokaz Pravoga puta i razlikovanja dobra od zla. Ko od vas u tom mjesecu bude kod kuće, neka ga u postu provede, a ko se razboli ili se na putu zadesi, neka isti broj dana naposti - Allah želi da vam olakša, a ne da poteškoće imate - da određeni broj dana ispunite, i da Allaha veličate zato što vam je ukazao na Pravi put, i da zahvalni budete." (Kur'an, 2:185)

HADITH

Ibn Abbas (May Allah be pleased with him) said: "The Prophet (p.b.u.h.) was the most generous. He is usually the most generous of all times in Ramadan, the times at which the angel Gabriel (Jabraeel p.b.u.h.) comes to see him. Jabraeel used to visit him every night of Ramadan and review Quran with him. Verily, Allah's Messenger (p.b.u.h.) is more generous at giving bounty or charity than the blowing wind." (Bukhari & Muslim)

Abdullah b. Abbas, r.a., je rekao: „Allahov Poslanik, s.a.v.s., je bio najdarežljiviji među ljudima, a najdarežljiviji je bio u ramazanu, kada se Džibril (a.s.) sastajao s njim. Džibril se sastajao s njim svaku noć tokom ramazana kada je zajedno s njim učio Kur'an. Allahov Poslanik, s.a.v.s., bi tada bio darežljiviji od blagog vjetera koji donosi plodonosnu kišu"! (Buharija i Muslim)

SREBRENICA

QUR'AN

"Allah has revealed the Best Message, a Book (that is) Consistent, repeating (its teachings), at which do tremble the skins of those who fear their Lord, then their skins and their hearts do soften to the remembrance of Allāh. This is Allāh's guidance, He guides with it whom He pleases; and he whom Allāh causes to go astray, for him there is no guide." (Qur'an, 39:23)

"Allah objavljuje najljepši govor, Knjigu sličnu po smislu, čije su pouke dvojake (ponavljaju se). Od nje se koža ježi u onih koji se Gospodara svoга boje, a zatim, kad se spomene ime Allahovo, kože se njihove i srca njihova smiruju. To je Allahova Uputa kojom On upućuje koga hoće; a onoga koga Allah ostavi u zabludi, njemu nema upućivača." (Kur'an, 39:23)

HADITH

In his Last Sermon, Prophet Muhammad, saws, said: "O People, just as you regard this month (Dhul-Hijjah), this day (of Arafat), this country (Makkah/Arafat) as Sacred, so regard the life and property of every Muslim as a sacred trust. Return the goods entrusted to you to their rightful owners. Hurt no one so that no one may hurt you. Remember that you will indeed meet your Lord, and that He will indeed reckon your deeds." (Bukhari & Muslim)

U svom Oprosnom govoru, Muhammed, savs, je rekao: "O ljudi, vaši životi, vaša imanja i vaše časti neka vam budu sveti i neprikosnoveni kao što je za sve vas uzvišen i svet ovaj mjesec (mjesec Hadždža), današnji dan (dan Arefata i petak) i ovo mjesto (Arefat) na kome se nalazimo. Stvari koje su vam date u amanet, čuvajte kao svoje vlastite i vratite ih vjerno i na vrijeme onome čije su. Ne budite ni tlačitelji ni tlačeni! Ne zaboravite da ćete svi doći pred Boga i On će vas pitati za vaša djela i vaš rad. (Buharija i Muslim)

QUR'AN

"If you do not aid the Prophet - Allah has already aided him when those who disbelieved had driven him out [of Makkah] as one of two, when they were in the cave and he said to his companion, "Do not grieve; indeed Allah is with us." And Allah sent down his tranquillity upon him and supported him with angels you did not see and made the word of those who disbelieved the lowest, while the word of Allah - that is the highest. And Allah is Exalted in Might and Wise." (Qur'an, 9:40)

"Ako ga vi ne pomognete - pa pomogao ga je Allah onda kad su ga oni koji ne vjeruju prisilili da ode, kad je s njim bio samo drug njegov, kada su njih dvojica bila u pećini i kada je on rekao drugu svome: "Ne brini se (ne budi tužan), Allah je s nama!", pa je Allah spustio smirenost na druga njegova, a njega pomogao vojskom koju vi niste vidjeli i učinio da riječ nevjernika bude donja, a Allahova riječ, ona je - gornja. Allah je silan i mudar." (Kur'an, 9:40)

HADITH

Allah's Messenger (may Allah's blessings and peace be upon him) said: "Deeds are dependant on intentions, and every person gets what he intends: If his Hijra (immigration) is to Allah and His messenger, then truly his Hijra is to Allah and His messenger. But if his Hijra is motivated by worldly gain or to marry a woman, then his Hijra is towards what he intended from it." (Bukhari & Muslim)

Allahov Poslanik, sallallahu alejhi ve sellem, kaže: "Djela se cijene samo prema namjerama i svakom čovjeku pripada samo ono što je naumio, pa ko se iseli (hidžru učini) s namjerom da bi ostvario dobro ovoga svijeta ili radi žene kojom bi se oženio, njegova selidba bit će ono radi čega se i preselio" (Buharija i Muslim)

QUR'AN

"Muhammad is the Messenger of Allah; and those who are with him are strong against unbelievers, but compassionate amongst each other; you will see them bowing down, prostrating themselves, seeking grace from Allah and pleasure; their marks are in their faces because of the effect of prostration. . That is their description in the Torah. And their description in the Gospel is as a plant which produces its offshoots and strengthens them so they grow firm and stand upon their stalks, delighting the sowers - so that Allah may enrage by them the disbelievers. Allah has promised those who believe and do righteous deeds among them forgiveness and a great reward." (Qur'an, 48:29)

"Muhammed je Allahov Poslanik, a njegovi sljedbenici su strogi prema nevjernicima, a samilosni među sobom; vidiš ih kako se klanjaju i licem na tle padaju želeći Allahovu nagradu i zadovoljstvo, na licima su im tragovi padanja na sedždu. Tako su opisani u Tevratu. A u Indžilu: oni su kao biljka kad izdanak svoj izbaci pa ga onda učvrsti, i on ojača, i ispravi se na svojoj stabljici izazivajući divljenje sijača - da bi On s vjernicima najedio nevjernike. A onima koji vjeruju i dobra djela čine Allah obećava oprost i nagradu veliku." (Kur'an, 48:29)

HADITH

Abdullah b. Mas'ud (r.a.) narrated that the Prophet (p.b.u.h.) said: "Be truthful! Truthfulness (Sidq) leads to Birr (righteousness) and Birr leads to Paradise. And a man keeps on telling the truth until he becomes a Siddiq (truthful person). Falsehood leads to Fujur (i.e., wickedness, evil-doing), and Fujur leads to the (Hell) Fire, and a man may keep on telling lies till he is written before Allah, a liar." (Bukhari & Muslim)

Prenosi Ibn Mes'ud, radijallahu anhu, da je Poslanik, sallahu alejhi ve sellem, rekao: "Budite iskreni, jer zaista, iskrenost vodi ka dobročinstvu, i zaista, dobročinstvo vodi ka Džennetu. Čovjek će neprestano govoriti istinu i držati se iskrenosti sve dok ne bude upisan kod Allaha da je iskren. Čuvajte se laži, jer zaista, laž vodi u grijehenje, i zaista, grijehenje vodi u vatru. I čovjek će neprestano lagati i držati se laži sve dok ne bude upisan kod Allaha da je lažljivac." (Buharija i Muslim)
